

[SLOW NORTH | NATURAL LIVING GOODS] Webinar Report

Introduction

I'm a marketer at Slow North and today I'm introducing this webinar that aims to introduce visitors to the Slow North brand, which focuses on creating high-quality products that are environmentally sustainable and promote personal health. The brand aims to inspire a natural and conscious lifestyle by offering sustainable products, carefully crafted with natural ingredients. In addition, this online workshop also introduces limited-edition seasonal and

festive scented candles along with attractive vouchers when participating in three types of workshops at Slow North, especially widely introduced to Vietnamese customers.

SLOW NORTH | NATURAL LIVING GOODS

About us 🌿

Slow North is a small, woman-owned business that creates sustainable, non-toxic, natural health and wellness products. We encourage customers to do their part to make their homes

and environments happier and healthier while supporting their communities through charitable giving.

At our workshop, Slow North provides consumers with a **"Clean Burn"** experience, creating natural fragrance blends from **soy wax** and **pure essential oils** to suit the season, festival, or your individual preferences.

Special Ingredients

The main ingredients are soy wax and pure essential oil from Lemon, Eucalyptus, Lavender, Flowers, Jasmine, Rosemary, Peppermint, Cinnamon, Eucalyptus, Patchouli, Sandalwood, Geranium, Fir, and Pine.

1 - Soy wax

2 - Lemon Essential Oil

3 - Eucalyptus and Lavender Essential Oil

4 - Flowers Essential Oil

5 - Jasmine, Rosemary, Peppermint, Cinnamon, Eucalyptus, Patchouli, Sandalwood, Geranium, Fir, and Pine Essential Oil

Our most outstanding scented candle products

*6 - **Lavender Lemonade** - Limited edition summer candle: The refreshing combination of lavender and lemon essential oils provides the perfect balance of nostalgic and refreshing fragrance. Creates a soothing environment for relaxation and enhances the atmosphere in the home.*

7 - **Tuscan Sun:** The blend of orange, agarwood, and jasmine essential oils is designed to evoke sun-drenched citrus fruits, a hint of passionate florals, and the rolling hills of vibrant and sensual Tuscany.

8 - **Bouquet - Botanical Collection:** Immerse yourself in the peaceful symphony of rosewood, lemon, bergamot, and jasmine essential oils, evoking a floral atmosphere with a faint citrus scent.

9 - **Hello Sunshine:** Enhance your mood and brighten your space with the lively and joyful essence of Hello Sunshine candles, which promise to create a peaceful retreat right in your living space.

10 - **Merry + Bright:** Fragrance creates a cozy mood during the Christmas season and makes your home smell wonderful with all-natural essential oil candles.

*11 - **Autumn Woods:** Immerse yourself in autumn with this wonderfully scented candle, creating a cozy and perfect mood with the aromatic blend of orange, cedar, and bergamot essential oils.*

12 - **Cabin Retreat:** This simple aroma highlights the beauty of nature while creating an atmosphere where you feel grounded, soothed, and calm with scents of cedarwood, cinnamon, and grapefruit.

Relaxing summer at our workshop

Slow North is delighted to provide consumers with a unique "Clean Burn" experience. At the Slow North workshop, you will learn about the benefits of paraffin-free soy wax and the properties of pure essential oils, allowing you to craft natural fragrance blends tailored to the season, special occasions, or your personal preferences.

*You will receive **50% off on Webinar attendance.***

Weekly Candle Making Workshops 🌿

In the candle-making class, you will learn all about our candle-making process. You'll discover the benefits of paraffin-free soy wax, then learn about the properties of essential oils to create custom natural fragrance blends before mixing and pouring your candles by hand.

In-store Private Candle Making Workshops 🌿

Private in-store workshops held in our workshop space with a minimum group size of 4 and maximum of 10, suitable for groups of family and friends or team building.

Off-site Private Candle Making Workshops

Off-site workshops are available within a 30-mile radius of Austin, Texas. They are ideal for groups of 10 and a maximum of 24 for special occasions or team building.

Agenda

13 - Before the Event Agenda:

Planning and preparation: Confirm topics, create registration forms, create brochures, and plan participation time.

Promote and reach: Post to social media (Facebook) and track registrations.

Technical settings: Create a webinar event on Microsoft Teams, check the device (audio, visual) and notification settings on Teams.

14 - During the Event Agenda:

Greetings and Introduction: Introduce the purpose of the event.

Share information about the brand: Introduce an overview and mission of the brand, main ingredients, outstanding products, and 3 types of workshops.

Share contact information: Introduce the website, Instagram, address, and hotline.

Q&A session: Allow participants to ask questions of the speaker.

15 - After the Event Agenda:

Collect feedback: Gather information through surveys to improve future events.

Evaluation and planning: Evaluate event success, identify and internalize ideas, and plan future initiatives.

Marketing

I promote my webinar on Facebook with the Brochure image below.

The post attracts the majority of young people to participate and has stable interactions on Facebook.

Scheduling

To schedule for teams, I used the Webinar on Microsoft Teams feature, then announced all potential participants who wanted to join my webinar about the details and how to join.

Conclusion

This webinar provided an overview of the Slow North brand and its commitment to creating high-quality, environmentally sustainable products that promote personal wellness. Besides, it introduced outstanding aromatic product lines to customers and incentives when participating in Slow North's workshops.

The online seminar brought a deeper understanding of the brand's values and the outstanding product lines that the brand offers. You can find a scented candle that suits your space, bringing wonderful, relaxing, and pleasant feelings. In addition, participants learned about natural ingredients, the importance of choosing sustainable products that are friendly to nature, and how these choices contribute to personal health and environmental protection.

This experience emphasizes the importance of a mindful lifestyle and the impact that individual choices can have on the broader ecosystem, leaving attendees inspired to put these principles into practice in their daily lives.
