SECTION A

QUESTION 1

1. Introduction

Ho Chi Minh City is one of Vietnam's bustling economic, entertainment, educational and cultural centers, a dynamic metropolis with a harmonious blend of historical charm and modern vibrancy makes this place an unforgettable destination for tourists. The city offers visitors a kaleidoscope of impressive experiences through the city's iconic landmarks from architecture and historical landmarks, pagodas and communal houses to vibrant markets and culinary treasures real diversity. Influenced during the French colonial period, large architectural works such as Nhà thờ Đức Bà – Notre-Dame Cathedral, Central Post Office, and City Theater in Ho Chi Minh City are a combination of unique European and Asian architectural styles, attracting much attention from tourists. The city is also famous for its diverse landscape dotted with parks, bustling streets and iconic sites such as the Independence Palace and the War Remnants Museum, which provide a window into Vietnam's rich history. Ho Chi Minh City is also a shopping and entertainment center besides music tea rooms, bars, and stages, the city has many amusement parks such as Dam Sen Park, Suoi Tien, and Zoo, creating a strength of city tourism.

In addition to the famous landmarks, Ho Chi Minh City is also lively, attracting visitors with cultural events and festivals such as celebrations, music activities, and the vibrant Tet. Especially in the upcoming Tet, the Vietnamese New Year starts on January 29, 2025, highlighting as one of the biggest and most joyful holidays of the whole country. Here, with the bustle of Tet clearly taking place nearly 1 month in advance with the streets, the vibrant market is prominently decorated with bright red colors and a festive atmosphere that engulfs the entire city. Colorful lanterns, peach blossoms, apricot blossoms, and kumquat are brilliantly embellished with the city, along with the city's mesmerizing street displays and fireworks displays, creating a warm and joyful atmosphere, showcasing the rich heritage and spiritual energy of the country and the people of Vietnam. Vietnamese communal houses participate in religious ceremonies, pray for health, prosperity, and good luck, such as the Jade Hoang Pagoda is an iconic place where believers gather to start the new year with prayers and offerings.

No visit to Ho Chi Minh City is complete without enjoying its vibrant culinary scene. From street vendors serving savory bread and fragrant bowls of Pho to high-end eateries such as Ngon Restaurant or Saigon Kitchen, this city is a paradise for food enthusiasts. Especially on Tet Day, traditional dishes such as Bánh chưng (stuffed sticky rice cake with meat and mung beans) and thịt kho trứng (braised pork with eggs) are delicious dishes that must be tried, it is imbued with the characteristics of Vietnam in particular and Ho Chi Minh City in general.

This Promotional Plan for all visitors to Ho Chi Minh City will present a comprehensive promotion plan, especially during this Tet holiday, to attract both domestic and international tourists to Ho Chi Minh City during the period from January to February 2025. The advertising plan consists of three phases implemented in 1 month, before and after the Vietnam New Year, along with a detailed list of goals, target audiences and costs for each plan in the budget table.

2. Objective

The main goal of this Promotional Plan is to increase the number of domestic and international tourists by 12.4% during the Tet holiday period from January to February 2025 compared to the number of tourists arriving in the same period in 2024. In which, an increase of 4.1% in international tourist traffic and 8.3% in domestic visitors.

In terms of Affective Stage, liking increases the positive sentiment of the target audience by 20% and preference increases the preference of the target audience by 15% through unique experiences when coming to Ho Chi Minh City. In terms of Conative Stage, facilitate a 12% increase in travel-related purchase behaviors of the target audience over a 1-month period.

3. Target Audience

3.1. Primary audience

<u>Domestic tourists</u>

Family	
Geographic	- Visitors residing in Vietnam - Living in other provinces such as Hanoi, Da Nang, Hue, Hoi An, Can Tho, etc.

Demographic	- Age: 10-60 - Income level: 1. Middle-income individuals and families: Able to spend on accommodation, meals, and experiences that are budget-friendly and related to family discounts. 2. High-income individuals and families: Willing to pay more for financing, higher-end experiences, private tours, and more luxurious accommodations. - Family structure: nuclear families, extended families, or multigenerational families -> they focus on comfort, convenience, safety, and activities for all ages.
Psychographic	- Pay more attention to family-oriented activities - Appreciate comfort, convenience, and safety - Prioritize health and hygiene safety - Appreciate educational and cultural destinations and experiences - Be attracted by temple tours, cultural performances, and traditional markets. - Food and cultural experiences
Behavioral	- Search and plan places to experience food, culture, and accommodation - Looking for family-oriented recreational activities - Search for tours - Research online travel options - Book through online applications - Refer to suitable means of transportation - Enjoy visiting and learning about famous places, exploring unique cultures and history - Search and experience local restaurants and activities

The first target audience group is families belonging to domestic tourists. They are living in provinces and cities in all parts of Vietnam such as Hanoi, Da Nang, Hue, Hoi An, Can Tho,...

with the aim of enjoying a happy time with the family on the occasion of the Lunar New Year between the end of January and the beginning of February. Family members including nuclear families, extended families, or multigenerational families, between the ages of 10 and 60 often pay a lot of attention to comfort, convenience, safety in terms of transportation, health and hygiene, and activities for all ages when traveling. Moreover, they often appreciate educational and cultural destinations and experiences, such as visiting famous places or exploring unique cultures and history. Usually, middle-income families will spend on dining, experience, entertainment and accommodation activities at a soft cost, in line with their budget, they often pay attention to incentives or discounts for family groups. In contrast, high-income families are willing to pay more for higher-end dining and entertainment services or private tours and luxury accommodations to experience and explore more.

Couples and group of friennds	
Geographic	Living in other provinces and neighboring cities such as Hanoi, Da Nang, Hue, Hoi An, Can Tho, Binh Duong, etc.
Demographic	- Age: 18-40 - Students, young people who are working, groups of friends who love to travel and explore. - Income level: Middle Income to Upper-Middle Income
Psychographic	- Have a hobby of exploring tourist destinations - Enjoy exploring and experiencing culture and events in famous tourist destinations - Search for places or activities to relax and entertain - Appreciate attractive food venues
Behavioral	- - Ability to travel all year round - Often follow travel vlogs from influencers - Prioritize unique experiences in the city - Participate in major events with the participation of singers and artists - Book directly with hotels and homestays through major and preferred online platforms - Book transportation online

The second target audience group is Couples and group of friennds, usually from large and neighboring provinces such as Hanoi, Da Nang, Hue, Hoi An, Can Tho, Binh Duong, and other areas. This group includes people between the ages of 18 and 40, whether they are students, young people who are working, or a group of friends who love to travel and explore with incomes ranging from Middle Income to Upper-Middle Income, who can afford trips with diverse and rich experiences. This group has a hobby of exploring new tourist destinations, especially places that are imprinted with culture, history, and special events in famous destinations. They often look for relaxing and exciting entertainment activities such as music events, festivals, or gathering in places with fun and comfortable spaces. In addition, they appreciate the attractive culinary experiences, especially the typical local dishes. In terms of travel behavior, Couples and groups of friennds have a high degree of flexibility in travel, often arranging short or long trips throughout the year. They also especially like to follow travel vlogs, blogs, and content from famous influencers to find inspiration, hint for their journey, and prioritize unique experiences in the city. They especially love participating in major events featuring famous singers and artists, which helps them create memorable moments. For this target audience, hotel or homestay reservations and transportation are often made online through major platforms, bringing convenience and flexibility to their journey.

<u>International tourism</u>

Couples and group of friennds	
Geographic	- - Guests from China, Korea, Japan, Thailand – countries with great interest in Vietnam's Tet culture. - European, American, and Australian tourists – who are often attracted by novel festival experiences, bustling streets, and community activities such as fireworks and food.
Demographic	- Age: 18-40 - - Students, young people who are working, groups of friends who love to travel and explore. - Income level: Middle Income to Upper-Middle Income, able to spend on tourism services such as accommodation, dining, and leisure activities.

Psychographic	- Want to experience Vietnam's unique culture, traditional festivals, and urban landscape. - Have a passion for learning about local history, art, and cuisine. - Prioritize fun activities, music festivals, and places with comfortable spaces to enjoy time with friends. - Enjoy new and engaging culinary experiences - Passionate about sharing memorable experiences on social media - Desire to connect socially through tourism activities. - Desire to find a place to relax
Behavioral	- Capable of traveling all year round, often taking advantage of big holidays to organize long trips. - Look for special events such as music performances, fireworks, and traditional festivals in Ho Chi Minh City. - Often follow travel vlogs and blogs from famous influencers. - Book hotels, homestays, and transportation through major online platforms such as Booking.com, Agoda, Grab, or Traveloka. - Often attracted by major events featuring famous artists and vibrant spaces.

The third target audience group is international tourists who are young couples and groups of friends who often come from many countries such as China, Korea, Japan, Thailand - places with great interest in Vietnam's Tet culture, as well as further regions such as Europe, etc The United States, and Australia - where visitors are often attracted by unique festival experiences, bustling streets and community activities such as fireworks and food. This audience is between the ages of 18 and 40 including students, young people who are working, or a group of friends who love to travel and explore. Their income ranges from Middle Income to Upper-Middle Income, affording accommodation, dining, and leisure services. Psychologically, this group has a desire to explore unique cultures, experience traditional festivals and admire Vietnam's vibrant urban landscape. They love learning about local history, art, and cuisine, and prioritize fun activities such as music festivals, community events, and comfortable spaces for relaxation and social connection. Their passion for new cuisines, the ability to share memorable experiences on social media, and the need

to relax make them particularly interested in the attractive destinations and diverse activities in Ho Chi Minh City. Moreover, the group often travels year-round and looks for special events such as fireworks, musical performances, or traditional festivals. They also often follow travel vlogs and blogs from famous influencers for inspiration. Booking hotels, homestays, and transportation for this group is also flexible, often done through major online platforms such as Booking.com, Agoda, Grab, or Traveloka.

3.2. Secondary Audience

The Secondary Audience group is social media influencers and content creators (Educators), who act as the ones who expand the recognition and reach of this advertising campaign, helping to spread the message of the Vietnamese New Year festival season faster. These individuals include reviewers, bloggers, and vloggers, who are able to connect with a wide range of niche audiences both at home and abroad who are passionate about food, discovering the characteristics of tourist destinations. By sharing their experiences, authentic and personal experiences, they can effectively showcase the vibrant Tet atmosphere in Ho Chi Minh City, which will help draw visitors' attention to unique traditions, delicious cuisine, and other dynamic events. Through event-related videos, behind-the-scenes cultural experiences, or specialized food tours not only create engaging content, but also inspire their audiences to interact and visit the city. Through their broad reach and creative storytelling, influencers become the invisible bridge in positioning Ho Chi Minh City as a must-visit destination during Tet.

4. The Promotional Plan

	vnexpress.net, tuoitre.vn, Kenh14.vn.		
KPIs	- 1,250,000 reaches. - 1,100,000 engagements on social media. - 75% media coverage. - 910,000 -> 1,200,000 views through all social media	- 1,120,000 visitors both domestic and foreign. - 700,000 visitors coming to stay. - 84% media coverage. - 1,300,000 engagements on social media with hashtags. - 1,255,000 views through hashtags on media.	- 1,350,000 usage of hashtags. - 1,260,000 views through hashtags on media.

The Tet campaign aims to introduce the vibrant, fun and meaningful experiences of Vietnamese Tet, encapsulated in the theme of ***Happiness, Cherish and Memorable***. Through the big idea "Tết Việt – Vun đầy hạnh phúc, Kết nối yêu thương" (Vietnamese Tet - Full of happiness, Connecting with love), the campaign celebrates Tet as a festival that brings people together, nurtures cultural pride and creates memories unforgettable memories for domestic and international tourists. Tet brings families together, gathering around the fire to welcome the new year, sharing joyful reunions and creating warm, loving memories for everyone. This place highlights the uniqueness of Tet, it blends traditional customs with vibrant modern festivals from bustling markets and cultural performances to dazzling fireworks displays. Tet is also a time for people to cherish emotional connections, connect love, and strengthen relationships through meaningful moments. This cherished holiday has captured the hearts of Vietnamese people, giving everyone both local and international visitors a joyful experience, opportunity for emotional connection and moments of joy meaning, making Tet an unforgettable and cherished holiday rooted in culture and connection. With the key message "Quây quần khoảnh khắc, đong đầy kỷ niệm" (Gathering moments, full of memories) is used throughout the campaign, it focuses on conveying a warm, loving and joyful atmosphere of togetherness. This short but emotional

message evokes gratitude, intergenerational connection, and celebrates moments of shared happiness in the new year.

In Phase 1: Trigger, the campaign focused on raising awareness and arousing interest by introducing Tet as a celebration of family and cultural connection. The short clips feature famous figures such as Tran Thanh and Miss International Huynh Thi Thanh Thuy with the theme of arousing curiosity about each individual's own stories with the question 'What does Tet mean to you?', emphasizing the joy and meaning of each remaining moment and creating cherished memories. Moreover, it also highlights the traditional values of Tet through images of family gatherings, cultural practices such as preparing banh chung or visiting temples, and bustling Tet markets. These efforts are amplified through partnerships with travel platforms such as Traveloka, Agoda, and Booking.com, along with social media engagement by collaborating with reviewers, bloggers, vloggers: Le Ha Truc, Khoai Lang Thang, Meichannnnn, Kem, and using hashtags such as #TetMemories2025, #HappyTetinHoChiMinh, and #HappinessToCherish.

In Phase 2: Engage, the campaign deepens emotional engagement by organizing immersive activities and unique experiences. Highlights include Vietnamese Tet treasure hunting games or go through the “time path” in “Khu rừng xuân kỳ ảo - Magic Spring Forest” - where each Tet custom of the regions is recreated at Van Hanh Mall, workshops on processing traditional dishes such as Banh Chung, Banh tet, Coconut jam, and fruits on Tet Day in “Hội chợ Tết - a Tet Fair” at Nguyen Hue walking street, and a concert night performance "Đón giao thừa 2025 - Welcome New Year's Eve 2025" with fireworks display " Chào đón năm mới Ất Tỵ 2025 - Welcome New Year At Ty 2025" at Bach Dang Wharf. Visitors can also participate in a flower arrangement workshop at “Hội hoa Xuân - the Spring Flower Festival” at Gia Dinh parks, or share their Tet moments on social media using the campaign's hashtag to receive rewards such as handmade Vietnamese souvenirs. These activities aim to connect tourists with Tet traditions while bringing modern and interactive experiences.

In Phase 3: Amplify, the campaign leverages the engagement built in the previous phases to further spread the message and reinforce Tet as a cherished holiday. Social media platforms will feature video recaps and influencer collaborations, to highlight the vibrancy of Tet through family reunions, festive markets, and dazzling fireworks. The widespread use of hashtags, such as #TetMemories2025, #HappyTetinHoChiMinh and #HappinessToCherish, ensures a wide online

reach while press coverage from popular outlets such as vnexpress.net and tuoitre.vn reinforces the presence of traditional media. The last, post a thank-you post for their participation to be able to create a campaign with such a wide spread and great success.

Campaign KPIs including achievement 1,250,000 reaches, 1,350,000 usage of hashtags and 1,260,000 views through hashtags on media along with 1,120,000 visitors both domestic and foreign come to Ho Chi Minh city, in which 700,000 visitors coming to stay. Moreover, we aim to 84% media coverage. By combining traditional values with a modern engagement strategy, this campaign positions Vietnamese Tet as an immersive, unforgettable festival rooted in cultural heritage and emotional connection, leaving a lasting impression on all who experience it.

5. The Budget

Phase	Components	Descriptions	Estimate budget (VND)
Phase 1: Trigger	Advertising	• Posters, Billboard advertisement • Website & Social media (YouTube, Facebook, Instagram, TikTok)	~ 200,000,000 VND ~ 30,000,000 VND

Phase 3: Amplify	Advertising	Social media (YouTube, Facebook, Instagram, TikTok)	~10,000,000 VND
Total of 3 phase	~3,337,500,000 VND		

SECTION B

QUESTION 2

i. Outdoor media (Cognitive -> Affective -> Conative)

Cognitive Stage: showing a lot of information such as the audience being informed about the opportunity to celebrate the Vietnamese New Year while traveling through culturally significant destinations duration 2 months and starting January 29, 2025. With clear images to help immediately recognize the cultural richness of Vietnam and 20% discount when booking.

Affective Stage: The iconic images of Hanoi, Hoi An, Hue and Ho Chi Minh City show the warmth of Tet dishes that evoke nostalgia and excitement when experiencing Vietnamese culture. Phrases like 'Learn about traditional culture' and ' lovely and wealthy atmosphere of Vietnam' appeal to an

emotional connection to cultural heritage. Warm tones and red elements symbolize the spirit of the Tet festival, triggering a joyful and celebratory emotional response.

Conative Stage: The call to action: 'Book now – 20% off.' and focus on the start date (January 29, 2025) creates an urgency to act quickly and take advantage of the discount. Audiences feel motivated to book tours right away, driven by discounts and the promise of a unique cultural experience during Tet.

Target audience: Target audience is aimed at domestic tourists exploring Vietnam and international tourists interested in Southeast Asian culture, food, history and iconic landmarks

ii. Outdoor media (Affective -> Conative -> Cognitive)

Affective Stage: The warm image of families gathering together, sharing meals, and participating in Tet traditions immediately stirred up feelings of love and nostalgia. Vibrant colors and traditional costumes amplify the joyful, vibrant festive atmosphere, evoking a deep connection to Vietnamese heritage and Tet celebrations.

Conative Stage: The message “Feel the warmth of the Vietnamese Tet, where every journey is a celebration of love, joy and unforgettable moments” inspires viewers to take action. Combined

with the call to action like 'Book now, discount 20%'", the poster urges the audience to book tours to immerse themselves in these fun experiences.

Cognitive Stage: The mention of the "Vietnamese Lunar New Year Tour" and the clear description of traditional Tet activities inform the audience of the cultural richness they will experience. It directs the viewer to the focus of the tour on Tet while reinforcing the idea that it is a unique and meaningful journey.

Target audience: Target audience is aimed at domestic tourists or international visitors are interested in cultural tourism and have a hobby of Cultural Discovery, family-focused activities, and travel experiences. Visitors are likely to react to emotional triggers and discounts.

QUESTION 3

i. Design Tet ads using the Expertise source expertise attribute: Khoai Lang Thang

Target audience aims mainly comprised of individuals aged 18-40 who appreciate authentic cultural experiences, traditional Vietnamese cuisine, and far-flung destinations. further geared towards the adventurous and curious who are inspired by his heartfelt storytelling and unique travel recommendations.

ii. The reason for choosing Khoai Lang Thang

The reason for choosing Khoai Lang Thang is because he is an influential Vietnamese travel vlogger, famous for his fascinating storytelling and authentic exploration of Vietnam's culture, cuisine and scenic destinations. Through his YouTube channel (2.72M subscribers) and other social media platforms, he has built a loyal audience of millions that videos on YouTube that attract between 1 and nearly 9 million views, making him a reliable source of inspiration for both local and international visitors. The content of Khoai Lang Thang focuses on sincere and authentic experiences, which resonate deeply with its audience. His calm, soothing narration combined with stunning visual footage captures the essence of Vietnam, from bustling cities to serene rural scenes. Furthermore, he explores lesser-known destinations and highlights the beauty of Vietnam's traditional culture, local crafts, and unique lifestyle. Visitors trust his proposals because he emphasizes cultural preservation and sustainable tourism.

QUESTION 4

QUESTION 5

Tuk Tuk Tourism, Vietnam Travel Group, and Traveloka combine to provide a seamless travel experience for the Tet holidays. This package includes Tuk Tuk's selected Tet-themed tours (cultural workshops, culinary experiences, and fireworks), Vietnam Travel Group's transportation services to key destinations (Hanoi, Hue, Da Nang, Ho Chi Minh City) and discounts on accommodation through booking at Traveloka. This all-in-one package ensures convenience and affordability for both domestic and international travelers.

Through this partnership, TA includes tourists aged 20–50 years old with middle to upper middle incomes, including domestic tourists exploring heritage and international tourists looking for authentic Tet experiences. They enjoy immersing themselves in the culture, convenient travel planning, and discounts, making the product of this collaboration an attractive option than ever.

Thereby, Tuk Tuk Tourism increases bookings for Tet-specific tours through contact with Traveloka's user base and Vietnam Travel Group's transportation services. This partnership makes

Tuk Tuk a noted cultural tourism provider, attracting international tourists looking for traditional Vietnamese Tet experiences. Moreover, Vietnam Travel Group benefits from higher demand for group travel packages when partnering with Tuk Tuk Tourism and Traveloka. By integrating curated tours and easy accommodation options, it attracts families and groups looking for a seamless Tet travel experience, and it also expands the reach of customers through advertising on partner platforms. In addition, Traveloka enhances its value proposition by combining discounted accommodation with Tuk Tuk tours and Vietnam Tourism Group travel offers. This partnership promotes app engagement, builds customer loyalty, and increases hotel bookings during the Tet season. By providing a comprehensive solution for Tet tourism, Traveloka strengthens its position as a leading travel platform.
