I completed International Business studies and am awaiting graduation, bringing daily practice in customer communication and administrative support: answering enquiries in inbox, comments and email, following each request through to closure, tracking registrations and attendance against the list, preparing and printing the materials an event needs, and keeping records and costs accurate. I work across Vietnamese and English every day (IELTS 5.5) and have run and presented a live session in English myself. Careful, responsible and proactive, and committed to advancing a career in Administration and Customer Service.
