Work Experience

English Teaching Assistant - Ms. Vy's English Class October 2023 to March 2025

- Held the role for **18 consecutive months alongside full-time study**, preparing materials, tracking attendance and following up on every assigned activity to completion.
- Kept the running record of student progress and condensed it into clear, structured updates for the lead teacher.
- Acted as the communication bridge between students and the teaching team, working across Vietnamese and English daily to clarify information and resolve issues early.

Social Media Marketing Intern - Vải Hoàng Kim

April to June 2026

- Ran the daily operating rhythm of the brand's page — content, customer replies and follow-ups — supporting **2.89K new contacts** without leaving queries unanswered.
- Monitored page and post performance data daily and reported what changed, contributing to **540.6K views (+63.9%)**, **3.3K interactions (+92.8%)** and **2.2K messaging contacts (+38.1%)** within 28 days.

Relevant Projects & Research

Hybrid Event with TopCV (UFM) - "LABOR MARKET REPORT 2024"

August 2024

Administration Finance

- Owned budget tracking and cost calculation for the event, closing it **29% below the planned spend** while still delivering the full programme.
- Coordinated logistics end to end - printed materials, standees, speaker and participant gifts, on-the-day support for approximately **200 attendees** - then closed out post-event follow-up rather than leaving items open.

E-business Webinar - Slow North Natural Living Goods (Student Project)

August 2024

- Ran a full event cycle single-handedly: before / during / after agenda, registration form, brochure, Microsoft Teams webinar setup and audio-visual checks.
- Converted **17 registrations into 15 attendees** (88% show-up) with automated confirmation emails, presented the session in English, then collected and analysed post-event survey responses.

Graduation Research Project - Hoi An Destination Choice Intention

December 2025

- Handled a **433-response dataset end to end** — collection, cleaning, validity and reliability checks, then PLS-SEM analysis in SmartPLS — and documented it into a formal report and defence deck.

International Business Project - Vinamilk Mexico Entry (Group Project)

May 2025

- Gathered and reconciled market data from multiple sources, structured it with PESTEL and the BCG Matrix, then costed a penetration pricing call.
