PROFILE

International Business graduate (CGPA 3.4, three academic scholarships) at her best keeping a project organised: tracking budgets, documenting decisions, turning scattered inputs into an accurate record people can act on. Coordinated a **hybrid event for ~200 participants at 29% under budget**, and independently ran an English-language webinar from planning through post-event survey analysis. Fully bilingual Vietnamese – English (IELTS 5.5) with real translation practice, and careful with data — including a 433-response dataset analysed end to end.

WORK EXPERIENCE

English Teaching Assistant — Ms. Vy's English Class

Oct 2023 – Mar 2025

- Held the role for **18 consecutive months alongside full-time study** — preparing materials, tracking attendance, and following up every assigned activity to completion.
- Kept the running record of student progress and **condensed it into clear, structured updates** for the lead teacher — the same habit a status report or a set of meeting minutes asks for.
- Acted as the communication bridge between students and the teaching team, working **across Vietnamese and English** daily to clarify information and resolve issues before they escalated.

Social Media Marketing Staff — Vi Hoàng Kim

Apr – Jun 2026

- Ran the daily operating rhythm of the brand's page — content, customer replies and follow-ups — supporting **2.89K new contacts** without letting queries go unanswered.
- Monitored page and post performance data daily and reported what changed, contributing to **540.6K views (+63.9%)**, **3.3K interactions (+92.8%)** and **2.2K messaging contacts (+38.1%)** within 28 days.

EVENT COORDINATION & PROJECT SUPPORT

Hybrid Event with TopCV x UFM — "Labor Market Report 2024"

Aug 2024 · Administration & Finance

- ~200

PARTICIPANTS, HYBRID
- 29%

ACTUAL VS PLANNED COST
- Owned **budget tracking and cost calculation** for the event, closing it **29% below the planned spend** while still delivering the full programme.
 - Coordinated logistics end to end — printed materials and standees, speaker and participant gifts, and on-the-day support across **both the online and offline audiences** — then managed **post-event follow-up** so outstanding items were closed rather than left open.

E-business Webinar — Slow North Natural Living Goods

Aug 2024 · Individual project

- Ran a full event cycle single-handedly: **before / during / after agenda**, registration form, brochure, **Microsoft Teams webinar setup** and audio-visual checks.
- Promoted it, converted **17 registrations into 15 attendees (88% show-up)**, and triggered automated confirmation emails to every registrant.
- Presented the full session **in English** for a US brand, facilitated Q&A, then **collected and analysed post-event survey responses** to evaluate satisfaction and document what to change next time.

DATA, RESEARCH & REPORTING

Graduation Thesis — Destination Choice Intention of Vietnamese Tourists (Hội An)

2026 · PLS-SEM

- Handled a **433-response dataset end to end** — collection, cleaning, validity and reliability checks, then PLS-SEM analysis in SmartPLS — where accuracy and data integrity decided whether the result stood up.
- Documented the study into a formal report and defence deck; the model explained **82.8% of intention variance**.

Market Analysis — Vinamilk entry into Mexico

May 2025 · Group project

- Gathered and reconciled market data from multiple sources — demand, competitors, pricing, trends — structured it with **PESTEL and the BCG Matrix**, built **cost and revenue projections** in spreadsheets, and packaged the findings into presentation slides.
