I completed International Business studies and am awaiting graduation, bringing practical experience in short-form video and visual production, boosted Facebook campaigns run on company budget, and daily performance review. Strong interest in performance marketing and cross-border e-commerce, with hands-on work producing conversion-oriented creative built on hook, angle and CTA, and screening product categories for foreign markets. A fast learner, comfortable working in English and making decisions from a table of numbers.

Work Experience

Social Media Marketing Staff - Vải Hoàng Kim

April to June 2026

- Produced the page's daily creative — promotional visuals and short videos in Canva and CapCut — writing the opening hook, on-screen captions and closing CTA around a specific product angle.
- Ran boosted Facebook post campaigns on company budget, selecting which organic posts to put spend behind based on early engagement signals, then extending, cutting or re-cutting each one.
- Reviewed page and post-level metrics daily to identify winning angles and rebuild them into new content.
- Enhanced page performance by achieving **540.6K views (+63.9%)**, **3.3K interactions (+92.8%)** and **2.2K messaging contacts (+38.1%)** within 28 days.
- Attracted **603 new followers (+144%)** with posts reaching 24K-62K views, and managed daily comments and messages contributing **2.89K new contacts**.

English Teaching Assistant - Ms. Vy's English Class

October 2023 to March 2025

- Supported daily class operations independently for 18 consecutive months alongside full-time study, preparing materials, tracking attendance and following up on assigned activities.
- Monitored student progress and organized information into clear updates for the lead teacher.

Relevant Projects & Certification

E-commerce Webinar - Slow North Natural Living Goods (Individual Project)

August 2024

- Acted as sole marketer for a US home-goods brand (soy-wax candles and home fragrance, Austin, Texas): designed the brochure creative, ran the Facebook promotion and built the registration funnel end to end.
- Converted the promotion into **17 registrations and 15 attendees** — an 88% show-up rate — with an automated confirmation email and a post-event satisfaction survey closing the loop.
- Delivered the full session in English, then used the survey data to evaluate the result.

IMC Advertising Project - VINAMILK, TikTok short-form (Student Project)

November 2024

- Produced TikTok ad creative built on first-5-second hook techniques, then evaluated each cut on engagement behaviour and message clarity to find which opening held viewers.
- Practised ad storytelling structures and persuasive framing for short-form placements.

International Business Market Analysis Project - Vinamilk Mexico Entry (Group Project)

May 2025

- Screened category demand, competitor set and price positioning for a foreign market using PESTEL and the BCG Matrix — the same logic used to decide which products are worth importing — then calculated cost structures and revenue projections behind a penetration pricing recommendation.
